This would mean significant employment opportunities to professionals working in this industry. It is important that your NSR profile details be correct and complete to be ready for the same.

To add any previous employment records, go to menu option "Correct Errors in data", navigate to employment details section and use the "Add previous company" button to enter and update your previous employments.

If you have **changed your company**, use the menu option "**My Profile** – **Change in employment**", update the relieving date for your previous employer and the joining details of your current employer.

If your **present or permanent address** has changed use the relevant menu options like "Change in present address" or Change in **permanent address**" to add the same.

For addition of new qualification Use the option "Add new qualifications" to append your new educational details.

It is important that your profile details be verified and confirmed by a NSR empanelled background checker to ensure the credibility of the same. Candidate pre-employment screening has become a mandatory process in many IT/ITeS companies and the applicability of the same is expanding.

Ensuring that your life-time biometric based NSR profile is verified will assist you and your prospective employer in reducing the time taken to complete the hiring cycle and also help you stand out among the various job prospects.

Visit the menu option "Request for – EBC Verification" and select the fields in your profile to be verified and submit. Your request will be allocated to any of the Empanelled Background Checkers (EBCs) on NSR. You need to make payment and submit documents to the EBC prior to verification. Once verified the information cannot be changed and verification results will be permanently recorded on your profile.

It gives us pleasure to inform that NSDL Database Management Limited (NDML) has set up "NSDL Insurance Repository (NIR)", approved by Insurance Regulatory Development Authority (IRDA), to enable individuals to hold insurance policies in electronic form.

Benefits to e-Insurance Account (eIA) Holder

- ❖ Insurance Policies under one umbrella: Insurance policies of all life insurance companies can be converted into electronic form. e-Insurance Account (eIA) eliminates the problem of policy mutilation or loss of document associated with holding of policies in physical form.
- No charges: No charges for eIA opening, eIA maintenance, transactions, policy conversion to the eIA holder.
- All insurance policies under one umbrella & Portfolio Tracking: e Insurance Account will provide Single view for all policies.
- **Ease in Premium payments:** Policy holder will be able to pay premium for all policies from single e-Insurance Account.
- One point contact: Eliminates communication to different Insurance companies separately for updation of demographic details.
- * Access based on login ID and password: Will facilitate customers with 24/7 access to their account.

Visit us at https://nir.ndml.in to open your e-Insurance Account absolutely free of cost.
