The newly launched NSR eCard service has also been welcomed by the Knowledge Professionals.

NSR eCard

NSR and NASSCOM are glad with the appreciation and positive response received from the Knowledge Professionals for NSR eCard. This facility has helped the Knowledge Professionals towards immediate submission of ITPIN to their future employers as part of their on-boarding procedure.

NSR eCard is being issued to the Knowledge Professionals registering with NSR. They can generate eCard using their respective login. NSR e-Card delivers the same significance which was earlier delivered through NSR physical card but removes the irritants such as delayed receipt or loss of cards.
