NSR FAQs

(This section in the newsletter attempts to share the most commonly asked questions and answers, available solutions)

Question: How do I update my email ID on NSR site?

Ans: *You need to login to your NSR profile and go to the main menu option “My Profile” and click on the last sub menu option of “correct errors in data”. A page will be displayed asking you to enter the transaction password that was set by you. On entering the correct transaction password, your personal details last updated by you would be displayed along with the email ID mentioned by you in your NSR profile. You may modify the same and click on update button mentioned at the bottom of the page.*

Your email ID will be updated on the system and an email will be sent to you on the old as well as the updated email ID about the modification done by you in your NSR profile

Incase you are facing some problem in updating, you may write to us at nsr@nsdl.co.in
